

## COMPANIES THAT FRENCH CHAMBER HELPED TO INCORPORATE:

### NIJI

Niji is a leading French digital agency with 1000+ talents, created in 2001 and financially independent. We support non-profit organisations, SMEs, mid-cap companies and large corporations in their digital transformation, from framing to solution making.

Niji operates in various sectors and provides an end-to-end, user-centric approach helping companies to accelerate their digital initiatives, improve their operational efficiency, better engage their customers and create more sustainable digital ecosystems. 🇫
