

# #Tips for **Happiness** at work

## #4 Be yourself

Share the values of the company, while respecting everyone's personality.

## #5 Employee recognition

Excellent work should always be recognized and differentiated as such by the whole team.

## #3 Positive working conditions

A pleasant and inspirational workplace, a coffee-maker or a rest area... These are just some of the many ways to create a favourable work environment!

## #6 Passion & interest

Passion and enthusiasm will bring you further than everything in the woorld!

## #2 Autonomy

It may mean flexible work hours but also adaptable work organization such as home office with complete confidence.

## #7 Sense of purpose

Being happy at work also means to feel helpful and driven by clear and inspiring goals.

## #1 Good atmosphere

Getting along with your colleagues is one of the reasons why we love our job so much!
